Overall Length:
1.109 inches
Overall Width:
0.859 inches
Contact Material:
Silver
Purpose For Which Designed:
General
Coil Quantity:
1
Duty Type:
Continuous
Features Provided:
Polarized
Operating Voltage Rating And Type At Specificationified Temp:
1.200 volts ac 25 degrees celsius all windings
Precious Material And Location:
Ocontacts silver
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03300
