**Overall Length:**

1.125 inches

**End Application:**

C141 serd 000 e/i fscm 11532

**Duty Type:**

Continuous

**Special Features:**

Double pole double throw relay with internal diode for cell transient suppression

**Terminal Type And Quantity:**

8 wire lead all functions

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03300
