Overall Length:

1.716 inches

Overall Height:

1.310 inches

Overall Width:

1.025 inches

End Application:

C17a acft

Voltage Rating:

20.0 volts operate and 30.0 volts operate

Special Features:

Operating current 150 ma. Maximum @ 25 degrees centigrade

Terminal Type And Quantity:

14 pin

Specification Data:

81349--83726/28 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513I0
