End Application:

Welding machine

Operating Voltage Rating And Type At Specificationified Temp:

12.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

20.0 amperes dc resistive load

Main Contact Maximum Voltage Rating In Volts:

125.0 dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
