Overall Length:

1.718 inches

Overall Height:

1.010 inches

Overall Width:

1.025 inches

End Application:

Panel, ckt 19; los angeles class ssn (688)

Voltage Rating:

115.0 volts coil

Contact Arrangement:

Four throw, double make, normally open, momentary action

Current Rating:

10.00 amperes coil

Terminal Type And Quantity:

14 pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51310
