Overall Length:

2.300 inches

Overall Height:

0.870 inches

Overall Width:

1.800 inches

Operating Temperature Range:

-40.0/+80.0 degrees celsius

End Application:

Motor hyd 350; los angeles class ssn (688)

Voltage Rating:

3.5 volts control and 15.0 volts control

Current Rating:

0.15 amperes control and 25.00 amperes control

Terminal Type And Quantity:

4 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513k0
