Overall Length:

0.551 inches

Overall Height:

0.524 inches

Overall Width:

0.220 inches

Operating Temperature Range:

-40.0/+70.0 degrees celsius

Voltage Rating:

3.75 volts pickup

Special Features:

End item: test set telecommunication syste (6625014627491)

Precious Material And Location:

Contants gold and contacts silver

Terminal Type And Quantity:

10 pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513k0
