**Overall Length:**

0.551 inches

**Overall Height:**

0.524 inches

**Overall Width:**

0.220 inches

**Operating Temperature Range:**

-40.0/+70.0 degrees celsius

**Voltage Rating:**

3.75 volts pickup

**Special Features:**

End item: test set telecommunication syste (6625014627491)

**Precious Material And Location:**

Contants gold and contacts silver

**Terminal Type And Quantity:**

10 pin

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A513k0
