Voltage Rating:

215.0 volts pickup and 260.0 volts pickup

Special Features:

End item: switchboard main, this item is double pole double throw and 5amps @ 240vac resistive, drop out voltage is 205-250vac, hysteresis voltage is 10, enclosure dimension are 1.75"x2.375"x3.0"h

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513k0
