Overall Length:

38.900 inches

Overall Height:

48.400 inches

Overall Width:

35.700 inches

Winding Quantity:

1

Coil Quantity:

1

Operating Current Rating And Type:

30.0 amperes ac single winding

Special Features:

Contact material is silver cadmium oxide; input voltage is

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
