Electromagnetic Relay - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5945-01-516-5255

Overall Length:
38.900 inches

Overall Height:
48.400 inches

Overall Width:
35.700 inches

Winding Quantity:
1

Coil Quantity:
1

Operating Current Rating And Type:
30.0 amperes ac single winding

Special Features:

Contact material is silver cadmium oxide; input voltage is

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A03300
