Special Features:

55series, contact configuration 4 co, rated current 7a, rated voltage/max voltage 250/250, rated load ac1 (va) 1750, standard contact material agni, voltage 120 v, coil version a (50/60 hz, ambient temperature range (c) -40+85, options led (ac), dimmensions (mm) 20.7x27.5x35

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03300
