Overall Length:

24.000 inches

Overall Height:

8.000 inches

Overall Width:

24.000 inches

End Application:

Starboard shaft aux relay box

Voltage Rating:

24.0 volts operate

Special Features:

Starboard shaft relay. 10 pole center jumper. 22.2in x 22.22in stainless steel relay subpanel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
