Body Style:

Rectangular

Overall Length:

8.000 inches

Overall Height:

4.000 inches

Overall Width:

7.000 inches

End Application:

Hydraulics group

Product Name:

Actuator group- pilot control

Special Features:

Nha 156-2656 valve group-main control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A134a0
