End Application:

Nsn 5340-01-487-7760; tank, liquid storage; w/s: tank, liquid storage, lin z78121, model xm105

Frequency In Hertz:

Between 50.0 and 60.0

Main Contact Load Current Rating At Maximum Rated Voltage:

15.0 amperes dc resistive load

Main Contact Maximum Voltage Rating In Volts:

24.0 dc

Special Features:

Type hb square base relay with blade style quick connect/solder terminations; mechanical on/off indicator is included; 3pdt, 3-pole, 3 form c, single agcdo contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03300
