Mounting Material:

Metal

End Application:

302-7087481 assembly d-115/115

Mounting Facility:

Mounting board

Mounting Configuration:

Rectangle mounting plate using x4 10-24 unc screws

Controlling Agency:

Naval sea systems command

Identifying Number:

7087481 drawing no.

Special Features:

Inavy-relay assembly; type: double; voltage: 120vac; current: 20 amps; 2 (coil)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-b
