**Mounting Material:**

Metal

**End Application:**

302-7087481 assembly d-115/115

**Mounting Facility:**

Mounting board

**Mounting Configuration:**

Rectangle mounting plate using x4 10-24 unc screws

**Controlling Agency:**

Naval sea systems command

**Identifying Number:**

7087481 drawing no.

**Special Features:**

Inavy-relay assembly; type: double; voltage: 120vac; current: 20 amps; 2 (coil)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T142-b
