Mounting Material:
Metal
End Application:
302-7087481 assembly d-115/115
Mounting Facility:
Mounting board
Mounting Configuration:
Rectangle mounting plate using x4 10-24 unc screws
Controlling Agency:
Naval sea systems command
Identifying Number:
7087481 drawing no.
Special Features:
Inavy-relay assembly; type: double; voltage: 120vac; current: 20 amps; 2 (coil)
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

T142-b
