Cl06, cl07, cl08, cl09, cl10 contactors

Frequency In Hertz:

Between 50.0 and 60.0

Special Features:

Trip class 10; plain circuit poles: insulation voltage-1000v, terminal capacity-10-3 awg; control circuit: insulation voltage-690v, thermal current-10a; -40 to 70 degrees c storage and -25 to 50 degrees c operating temperatures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
