AeroBase Group

View Online at https://aerobasegroup.com/nsn/5945-01-566-2799

Overall Length:

1.800 inches

Overall Height:

2.300 inches

Overall Width:

0.900 inches

End Application:

Solid state relay

Voltage Rating:

3.0 volts control and 32.0 volts control

Special Features:

Ssr with built in overvoltage protection; load voltahge 24-280vac; switching 10a to 125a; zero voltage switching; status indicating led;

microprocessor compatible input; capacitance 8pf

Terminal Type And Quantity:

2 clamp and 2 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513k0
