Product Name:

Mini high capaci type 20/40 amp spdt

Special Features:

voltage 12; old part number 87429; temp range, -40 degrees to +125 degrees c; potted; supression: resistor; coil resistance +/- 10% (ohms) 76; contact material: agsn02

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51310
