Overall Width:

7.510 inches

End Application:

Weapon system: seawolf class ssn

Voltage Rating:

24.0 volts control

Special Features:

End item: local control cabinet assembly (4g10501g01)contact material is silver, 312 inch dia, item is dpdt, coil input 50/60 hz dc

Precious Material And Location:

Contacts silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513k0
