**Overall Width:**

7.510 inches

**End Application:**

Weapon system: seawolf class ssn

**Voltage Rating:**

24.0 volts control

**Special Features:**

End item: local control cabinet assembly (4g10501g01)contact material is silver, 312 inch dia, item is dpdt, coil input 50/60 hz dc

**Precious Material And Location:**

Contacts silver

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A513k0
