

View Online at <https://aerobasegroup.com/nsn/5945-01-571-1540>

Operating Temperature Range:

-40.0/+55.0 degrees celsius

Current Rating:

15.00 amperes input

Special Features:

Terminal style: plug-in; contact configuration: 4pdt; coil resistance: 84.5 ohm; control: ac; contact material: silver alloy; max. Switching voltage: 300; switching current at voltag (ac resistive): 15a at 120v 50/60hz; coil voltage: 24vac 50/60hz; operating time(response) : 20ms

Precious Material And Location:

Contact silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513k0
