## NSN 5945-01-573-1916

Electromagnetic Relay - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5945-01-573-1916 **Overall Length:** 1.100 inches **Overall Height:** 1.400 inches **Overall Width:** 0.830 inches **Case Material:** Plastic **End Application:** Umte **Operating Voltage Rating And Type At Specificationified Temp:** 12.0 volts dc 85 degrees celsius all windings **Specification Data:** 12115-12115-sc5945-0030 manufacturers specification control Shelf Life: N/a **Unit Of Measure:** Demilitarization: No

**Fiig:** A03300
