Overall Length:

1.110 inches

Overall Height:

1.280 inches

Overall Width:

0.816 inches

End Application:

Relay, electromagnetic

Product Name:

R10, kh, kha and khau general purpose relays

Special Features:

0-5 rating; compact package; smokedust cover; various mounting configurations, socket, panel mount, pc board; indicator light available; hermetically sealed case option

Special Test Features:

1.6 ounces; contact arrangement 2form c, 4 form c; maximum contact rating dry circuit to 5a @ 28vdc or 240vac; 1/10hp @ 120-240 vac, 6-240; coil voltage 6-110 vdc, 6-240 vac; coil power 900m (dc), 1.2 va (ac)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
