LIIU	$\Delta$	DIIL	,auc	,,,,

C-130 hercules life extension project

## **Special Features:**

Input voltage: 240vac; contact rating: 10a resistive at 28vdc/120vac; termination type: screw terminal; submitted name on tech data: time delay relays.

Shelf Life:

N/a

**Unit Of Measure:** 

Demilitarization:

No

Fiig:

A03300
