Overall Length:

4.690 inches

Overall Height:

4.250 inches

Overall Width:

0.890 inches

Special Features:

End item: panel assembly, electrical, contact configuration 4x spst, max load current 8a at 250vac and 5a at 30vdc, max switching voltage is 250vac and 125vdc, pull in time 7msec, drop out time 3msec, series of led indicators

Precious Material And Location:

Contacts gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513I0
