**Overall Length:**

4.690 inches

**Overall Height:**

4.250 inches

**Overall Width:**

0.890 inches

**Special Features:**

End item: panel assembly, electrical, contact configuration 4x spst, max load current 8a at 250vac and 5a at 30vdc, max switching voltage is 250vac and 125vdc, pull in time 7msec, drop out time 3msec, series of led indicators

**Precious Material And Location:**

Contacts gold

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A513I0
