| Overall Length: |
|--|
| 4.690 inches |
| Overall Height: |
| 4.250 inches |
| Overall Width: |
| 0.890 inches |
| Special Features: |
| End item: panel assembly, electrical, contact configuration 4x spst, max load current 8a at 250vac and 5a at 30vdc, max switching voltage is |
| 250vac and 125vdc, pull in time 7msec, drop out time 3msec, series of led indicators |
| Precious Material And Location: |
| Contacts gold |
| Shelf Life: |
| N/a |
| Unit Of Measure: |
| |
| Demilitarization: |
| No |
| Fiig: |
| A513I0 |
