**Voltage Rating:**

115.0 pounds per hour wet control

**Current Rating:**

10.00 amperes resistive

**Special Features:**

Relay sealed electric, double pole/double throw (dpdt), 120vac non-latching type coils with plug-in mounting.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A513k0
