End Application:

Relay, transponder data control

Special Features:

Military/aerospace high performance relay; hfw half-size relay series; input voltage 26.5 vdc; contact arrangement 2 form c, dpdt, 2 c/o; contact current rating 2 amps; non-polarized, monostable coil magnetic system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A03300
