**End Application:**

Relay, transponder data control

**Special Features:**

Military/aerospace high performance relay; hfw half-size relay series; input voltage 26.5 vdc; contact arrangement 2 form c, dpdt, 2 c/o; contact current rating 2 amps; non-polarized, monostable coil magnetic system

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A03300
