**End Application:**

Msbs m51

**Special Features:**

Power relay: 1 pole, compact sensitive coil, vde. Contact rating 8a, 24v coil voltage, plastic sealed case, pcb th mount, contact from 1c.

Dimension: 10.0 x 29.0 x 12.5 mm; shape: rectangle; contact material: gold plate silver cadmium oxide; dielectric strenght: open contact:

1, 000 vac; coil and contact: 5, 000 vac

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A513k0
