End Application:

Msbs m51

Special Features:

Power relay: 1 pole, compact sensitive coil, vde. Contact rating 8a, 24v coil voltage, plastic sealed case, pcb th mount, contact from 1c.
Dimension: 10.0 x 29.0 x 12.5 mm; shape: rectangle; contact material: gold plate silver cadmium oxide; dielectric strenght: open contact:
1, 000 vac; coil and contact: 5, 000 vac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
