Overall Height:

1.650 inches

End Application:

South korea armed services

Special Features:

Failsafe actuator; coil volt 12 vdc; connectors sma female 18 ghz; no indicators; circuit options ttl high; switch time 20 ms; part name assigned by controlling agency: 403 sries spdt failsafe, sma coaxial switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
