**Special Features:**

End item: control console (f004773), contact resistance 50m max, applicable load: 5v dc, 10ma/24v dc 5ma, operating time 20ms max, operating voltage ac/dc at 20 degrees celsius is 80% of rated voltage, operating time: 20ms max, release time: 20ms max, operating temp: -30 to +70 degrees celsius

**Precious Material And Location:**

Contacts gold

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A513k0
