**Overall Length:**

3.0 inches

**End Application:**

Wiper, stbd wi

**Main Contact Maximum Voltage Rating In Volts:**

12.0 dc

**Product Name:**

Starter solenoid

**Special Features:**

One wire lead has a terminal ring finished end and the other wire lead is finished with a quick connect pin.

**Terminal Type And Quantity:**

2 wire lead all functions

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03300
