Overall Length:

3.35 inches

Overall Width:

1.732 inches

End Application:

5410-01-592-9463

Voltage Rating:

110.0 volts contact

Current Rating:

0.28 amperes supply

Product Name:

(dwg title) relay, overload, 20a

Special Features:

Description: thermal overload relay, automatic reset; wire size: 8 awg contacts: ino and inc; direct mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51310
