End Application:

Control, electrical p/n 62351

Nonpile-up Auxiliary Contact Arrangement:

1 pole, single throw, normally closed, momentary action

Main Contact Maximum Voltage Rating In Volts:

24.0 ac

Special Features:

Spring clamp terminal; 3 n.O. Safety output contacts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
