End Application:

Common air route surv radar (carsr)

Product Name:

Relay

Special Features:

Relay p/o asde-x remote unit (ru) heat exchanger assembly coil current: 8.3ma coil type: dc monostable coil voltage: 48vdc contact current: 16a (max) contact voltage: 250 vac (nom) external depth: 29mm external height: 15.7mm external width: 12.7mm operating powr: 417mw (nom) relay mounting: through hole configuration: spco, coil relay type: power rohs compliant: yes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500I0
