**Overall Length:**

0.51 inches

**Center To Center Distance Between Mounting Facilities Parallel To Length:**

1.446 inches single mounting facility

**Overall Height:**

1.0 inches

**Overall Width:**

1.01 inches

**End Application:**

Relay electromagnetic

**Mounting Facility Type And Quantity:**

2 slotted hole single mounting facility

**Special Features:**

Min operating cycle life at rated load 25, 00, contacts rated at 115vac 60hz,

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03300
