Overall Length:

0.51 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

1.446 inches single mounting facility

Overall Height:

1.0 inches

Overall Width:

1.01 inches

End Application:

Relay electromagnetic

Mounting Facility Type And Quantity:

2 slotted hole single mounting facility

Special Features:

Min operating cycle life at rated load 25, 00, contacts rated at 115vac 60hz,

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
