End Application:

Drive control

Voltage Rating:

600.0 volts output

Current Rating:

20.0 amperes resistive

Product Name:

Relay; dc control relay

Special Features:

No. Of poles: 8; mounting type: open type din-rail mount; contact configuration: 7no-1nc; enclosure: nema; type: safety

Terminal Type And Quantity:

2 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513k0
