**End Application:**

Drive control

**Voltage Rating:**

600.0 volts output

**Current Rating:**

20.0 amperes resistive

**Product Name:**

Relay; dc control relay

**Special Features:**

No. Of poles: 8; mounting type: open type din-rail mount; contact configuration: 7no-1nc; enclosure: nema; type: safety

**Terminal Type And Quantity:**

2 screw

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A513k0
