Radio Frequency Coil - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5950-00-132-6780

Reliability Indicator:
Not established

Turn Quantity:
89 single component single winding

Coil Form Type:
Hollow single component
Inclosure Type:
Open

Mounting Method:
Terminal single group

Color coded blue-orange-black
Terminal Type And Quantity:

2 pin

Shelf Life:

N/a

Unit Of Measure:

Special Features:

Demilitarization:

No

Fiig:

A058b0
