Body Diameter:

1.640 inches

Body Length:

0.563 inches

End Application:

Part no. T33, dwg no. D-153869

Permeability Rating:

No permeability at one mc or frequency nearest one mc rating

Special Features:

Rust preventative coated

Material:

Iron, powdered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T143-c
