**Reliability Indicator:**

Not established

**Core Construction:**

Powdered single component

**Body Length:**

4.100 inches

**Body Outside Diameter:**

0.500 inches

**Inclosure Type:**

Open

**Mounting Method:**

Terminal single group

**Terminal Type And Quantity:**

2 wire lead

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A058b0
