Reliability	Indicator:
-------------	------------

Not established

Coil Form Type:

Solid single component

# Body Length:

0.500 inches

# Body Outside Diameter:

0.219 inches

# Inclosure Type:

Open

#### **Mounting Method:**

Terminal single group

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

#### Unit Of Measure:

--

#### Demilitarization:

No

# Fiig:

A058b0
