Overall Length:

0.500 inches

Overall Diameter:

0.425 inches

Special Features:

300 uh porm 10 pct, q equals 16 at test frequency; terminal located at both ends; current rating 100.0 nom. Milliamperes; frequency designed for 790.000 approximate kilohertz

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
